What is Fast CAT? Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line – once readied, the coursing lure is activated prompting the dog to follow it, chasing it to the finish line and into a catch pen. The course is natural grass, completely fenced and dogs are run individually. Dogs are timed when they complete the 100-yard dash.

The time is converted to Miles Per Hour (MPH). FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$
Based on the dog's size at the withers, a handicap is applied, and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

PLEASE INDICATE YOUR DOG'S HEIGHT OR HANDICAP ON THE ENTRY FORM
MPH X HANDICAP = POINTS (ROUNDED TO NEAREST HUNDRETH)

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points DCAT = 500 points FCAT = 1,000 points

FCAT# = Each additional 500 points

Flat ribbons are awarded to dogs who complete the dash and rosettes to those completing a title. These must be picked up on the day of the event. None will be mailed.

Entered dogs will be assigned an hour time slot and run position by the secretary. Each dog will run each entered event concurrently. If you have multiple dogs, they will be placed in different hour time slots unless otherwise requested before closing date. You will need to be present 30 minutes prior to your hour time slot for roll call, dog inspection and measuring for height handicap. All dogs are expected to be current on vaccinations as required by law.
